Subject: Paint Remover Live Demo

All,

I have a place lined up for the use demo in Alexandria! We will do it within a Paint Spray booth at a vocational school. They use the booth some on Monday and Wednesday so other days would be best, but they will work with those days as necessary. They would like 8-10 days notice to get parking passes, etc.

I have issues with Oct. 18-19 and 25-26 but otherwise will make things work. I will need a number of attendees and vehicles. A list of names is optional.

Thanks,
Dennis
